**PURPOSE:**

This agreement defines the responsibilities of the City of Goodyear and City of Avondale for engineering inspection services that Goodyear will provide to Avondale.

The rates in the agreement are based on the costs identified in the City's most recent user fee study.

**PREVIOUS ACTIONS AND DISCUSSION:**

There has been no previous action or discussion on this subject.

**FISCAL ANALYSIS:**

The City of Goodyear will be compensated an amount not to exceed \$100,000 per contract term for costs associated inspection services. The initial term of this agreement ends on June 30, 2014, and the agreement allows for two one-year renewals. The rates in this agreement will reimburse Goodyear for all actual costs of this project and were calculated based on the City's most recent user fee study.
