Hi Laura

Our lot is for sale and at the same time there is a ballpark across the street. When the construction starts going around this area, this could be sold to a restaurant or store. We do not like the idea that our lot would have restrictions, will lessen our values. Thanks for letting us know

Mr. Schmitz,
Please consider this my opposition to the issuance of a special use permit for Lot 16 in the Estrella Crossing Business Park for the uses of a church. This is a business park and the use is restricted to protect the interests of the Business Park owners. It is not an acceptable use. Thank you.

Mr. Schmitz,

The Board of the Estrella Crossing Business Park urges the City of Goodyear to deny the request of the Sword of the Spirit Church for a Special Use Permit on Lot 16 of the Estrella Crossing Business Park.

The granting of this application would severely curtail the ability of the lot owners of the ECBP PAD to both develop and market their properties.

Dear Estrella Crossing Business Park Property Owners,

Just In case the previous email did not express a sense of urgency . . . here is a re-send. Also, please see the attached email thread between property owner Kirk and Joe Schmitz, Long Range Planner Development Services Dept. City of Goodyear, Arizona

Estrella Crossing Business Park Owners:

All property owners of the ECBP should have been notified by mail or email concerning a church that is in the process of leasing Lot 16. Church use has not been pre-approved by the ECBP PAD. The church has submitted an application, with the Owners of Lot 16 approval, for a Special Use Permit which would allow this to occur.

Unfortunately, if the church were to be granted this SPU Permit, all property owners within distance limitations (300 to 1000 feet) would be restricted from certain uses of their property. I have sent you an email chain which state these uses and their distance restrictions. Please attach this chain when contacting the Owners.

Although some businesses would be “Grandfathered In”, please be aware that these businesses would still be affected. EXAMPLE – A restaurant with a full liquor license closes doors. You wish to sell or lease your property to a new Mexican restaurant. THIS NEW RESTAURANT COULD NOT BE GRANTED A FULL LIQUOR LICENSE. A MEXICAN RESTAURANT THAT CAN’T SELL MARGARITAS. This is one of many examples.

WHILE SPEAKING AGAIN WITH MR. SCHMITZ OF THE PLANNING DEPARTMENT, HE MENTIONED THAT HE NOTIFIED ONLY PROPERTY OWNERS LOCATED WITHIN 500 FEET OF THE PROPOSED SPU PERMIT! OWNERS THAT MAY BE AFFECTED WITHIN 1000 FEET WILL HAVE NO IDEA THAT THIS IS HAPPENING!

We will be opposing the church SPU Permit application. Owners may contact Mr. Schmitz directly with questions, 623.882.7982. If owners wish their comments to be included in the information package to the P&Z, Mr. Schmitz must have them by Friday.
