RECOMMENDATION:

Appoint Councilmember Sharolyn Hohman as representative and Councilmember Wally Campbell as the alternate to the Maricopa County Community Development Advisory Committee (CDAC) for FY 2015-2016.

PURPOSE:

CDAC is an advisory committee to the Maricopa County Board of Supervisors (BOS). CDAC makes recommendations to the BOS regarding the Community Development Block Grant (CDBG) program; Home Investment Partnership (HOME) program; Small Cities Transportation Assistance Program (SCTAP); and other programs as assigned by the BOS. Participation in CDAC allows the City to have representation for projects and programs that have come before the committee.

BACKGROUND AND COMMUNITY BENEFIT:

- The City will have representation for projects that come before CDAC
- Participation in the CDBG and HOME programs has brought \$4.9 million in investment to Goodyear in the 20 years that the City has participated in the programs

DISCUSSION:

The City has been participating with CDAC for the past 20 years and has received considerable support, specifically in the redevelopment and rehabilitation of housing and aging infrastructure in the Historic Goodyear neighborhood.

FISCAL ANALYSIS:

There is no direct financial obligation on the City for being a member of CDAC. However, occasionally, some grants require matching funds. Those types of grants would be reviewed for their financial implications.
