

2016 Central Arizona Project (CAP) Annual Water Order

September 28, 2015 Council Meeting

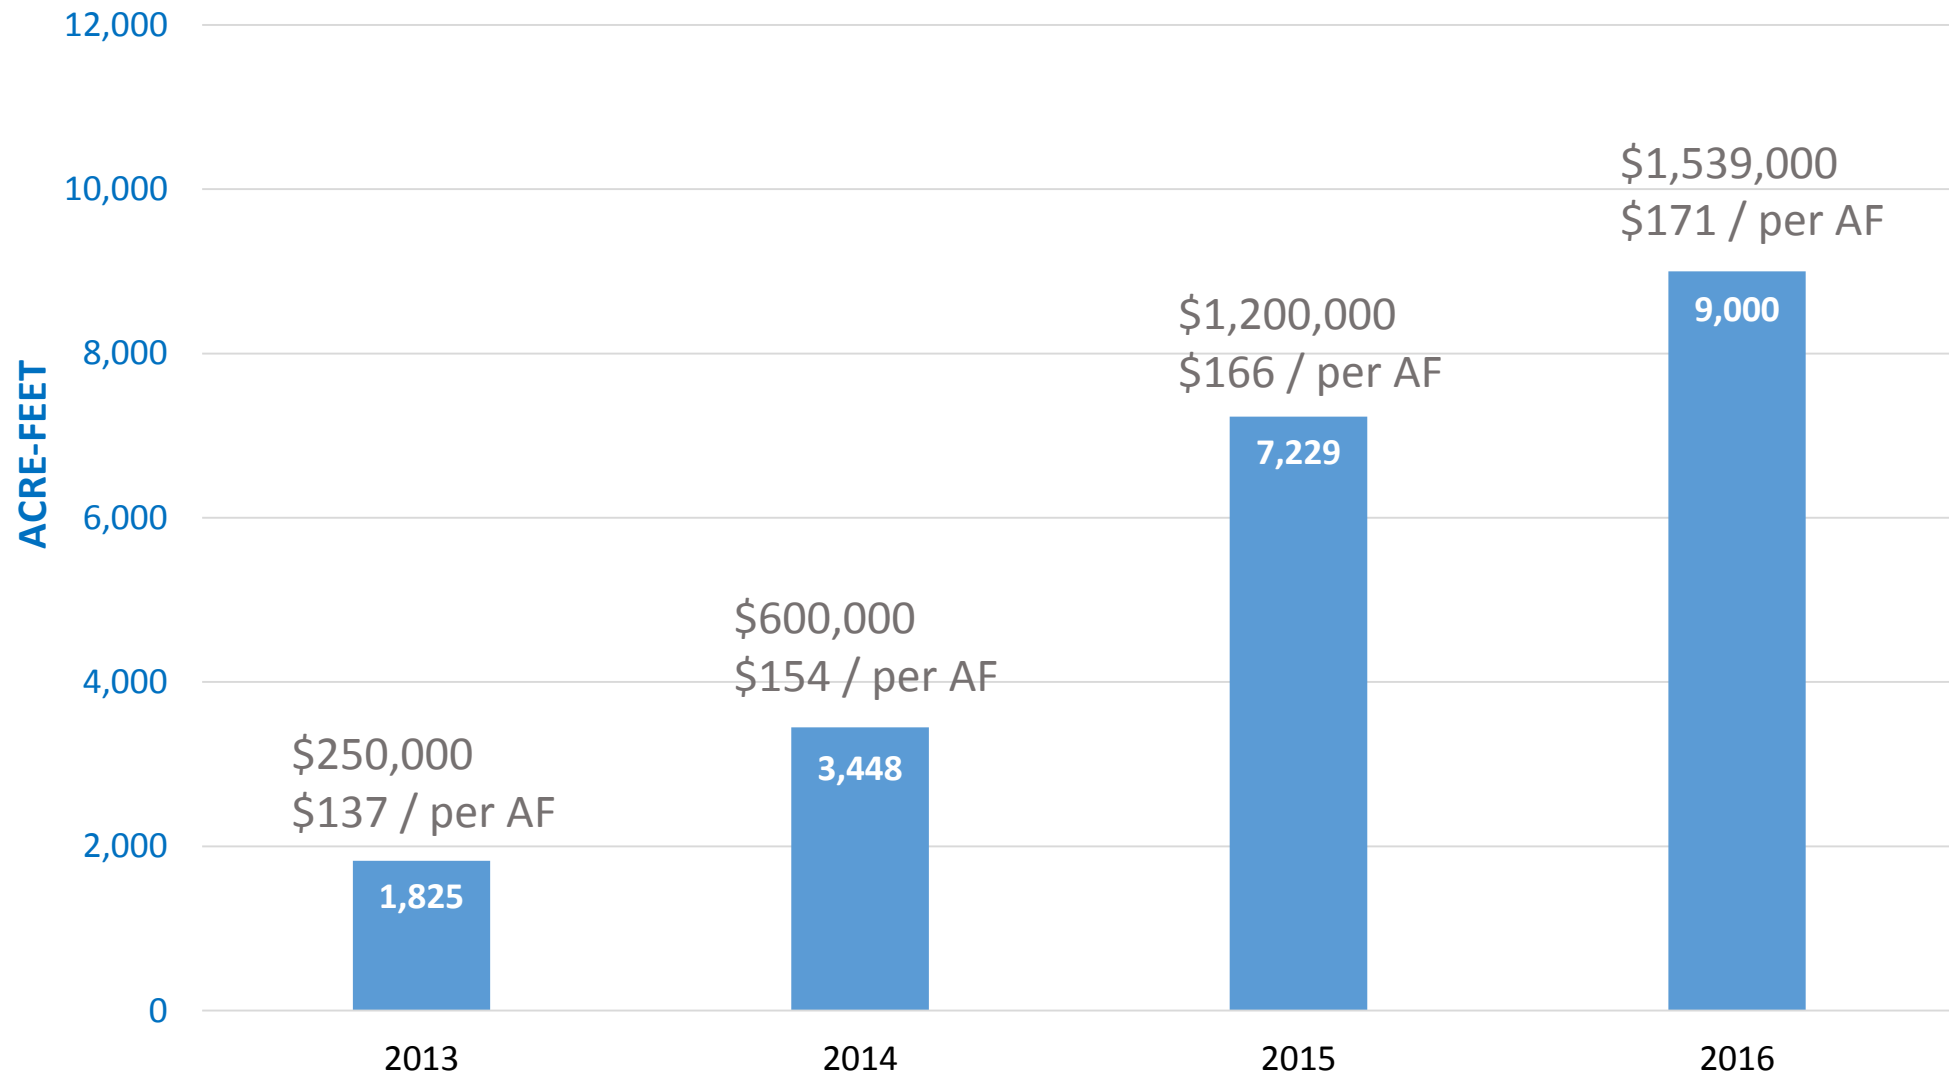

2016 CAP Water Order

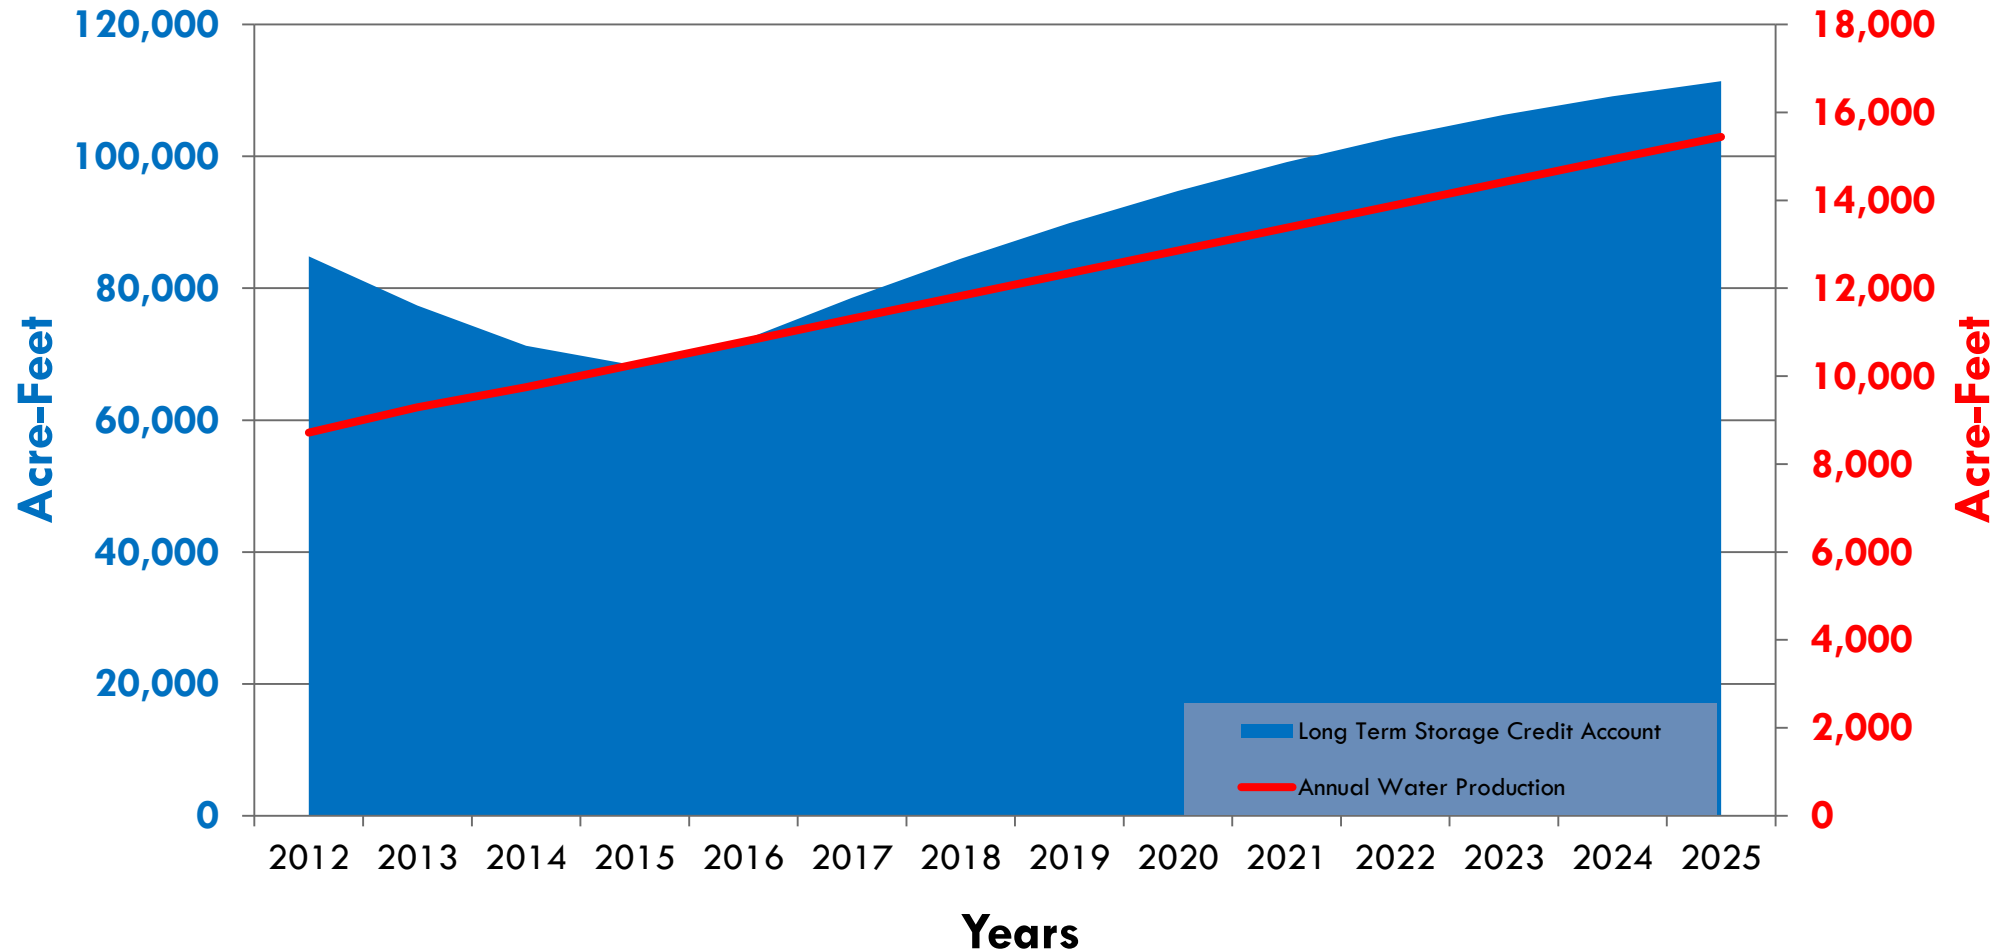

RECOMMENDATION

- Approve a CAP water order of 9,000 acre-feet for the City for calendar year 2016
- Funding for 9,000 acre-feet (\$1,539,000) approved in FY16 Budget

2016 CAP Water Order

2016 CAP Water Order

2016 CAP Water Order

BENEFITS TO THE CITY

- CAP water is the least expensive renewable water supply commodity within the City's water portfolio
- Will ensure the City meets the groundwater replenishment obligation
- Will allow the City to enhance its LTSC bank account
