**CITY OF GOODYEAR  
CITY COUNCIL ACTION FORM**

**SUBJECT:** Award of contract for purchase of three fire pumpers in FY17 Fleet Replacement Plan

**STAFF PRESENTER:** Charles Schneider,  
Fleet and Equipment Management  
Superintendent

**CASE NUMBER:** None

**OTHER PRESENTER:** None

**PROPOSED ACTION:**

Award a contract to Smeal Fire Apparatus Co. for the purchase of three fire pumpers as outlined in the FY17 Fleet Replacement Plan in the amount of \$1,788,000.

**BACKGROUND AND PREVIOUS ACTIONS:**

Fleet and Equipment Management partnered with the Fire Department and Procurement to develop a bid specification, review submittals, and recommend a vendor. Throughout this process, key considerations were paramount; first and foremost, meeting the Fire Department's needs, budget, delivery time of the new units, and logistical support after the purchase.

Funding for the purchase of these units is included in the Council-approved FY17 Citywide Fleet Replacement Plan.

**STAFF ANALYSIS:**

Fire Pumper Units No. 381, 382, and 383 have met fleet standards for life cycle and replacement thresholds and are targeted for replacement under this recommendation. Five bids were received and deemed responsive. The bids were evaluated by a multi-department committee made up of members of the Fire Department, Fleet and Equipment Management, and Procurement. The committee deemed Smeal as the successful responsible bidder, with a bid of \$1,788,000. These expenditures are within budget and delivery of these fire trucks is anticipated to occur approximately 10 months from issuance of the purchase order.

**RECOMMENDATION:**

Staff recommends approval of the contract award to Smeal Fire Apparatus Co. for the purchase of three replacement fire pumpers in the amount of \$1,788,000.

**ATTACHMENTS:**

None.
