- d. Close Public Hearing

2. The District Board will consider resolution PVCFD#3 RES 17-052 approving the final budget of the District for the Fiscal Year beginning July 1, 2017 and ending June 30, 2018 (Doug Sandstrom, District Treasurer).

BACKGROUND AND PREVIOUS ACTIONS:

The District Board is required to adopt a final budget for the District for Fiscal Year 2017-2018.

The District is generally located west of 149th Avenue, south of Camelback Road, east of Cotton Lane and north of Indian School Road; and west of Freeway 303, south of Indian School Road, east of Citrus Road and north of Thomas Road; and west of Pebble Creek Parkway, south of Virginia Avenue, east of Cotton Lane and north of Interstate 10; and west of 145th Avenue, south of McDowell Road, east of Bullard Avenue and north of Interstate 10.

The tentative budget for Fiscal Year 2017-2018 was presented to the District Board on May 22, 2017. It was approved by resolution PVCFD#3 RES 17-051. The final budget for Fiscal Year 2017-2018 is exactly the same as the approved tentative budget for Fiscal Year 2017-2018.

STAFF ANALYSIS:

The Finance staff has reviewed the final budget for the District and finds that it is in compliance with state law and city policies. They are in support of the proposed action.

FISCAL ANALYSIS:

The combined property tax is collected and used for operations and maintenance in Fiscal Year 2017-2018 and debt service payments in Calendar Year 2018. For Fiscal Year 2017-2018 the combined property tax levy will be \$612,900. The approximate combined property tax rate projected using the preliminary net assessed limited property valuation information from February 2017 is \$.8860 per \$100 of assessed valuation. However, the actual rate may vary from this estimate based upon the final net assessed limited property valuation of the district which will be certified in August 2017.

Of the combined property tax rate, (i) \$.7860 per \$100 of assessed valuation is used to pay the general obligation bond debt service payments and (ii) \$0.10 per \$100 of assessed valuation is used for operations and maintenance for the District. The target combined tax rate for the District is \$2.00 per \$100 of assessed valuation or less, however the District is legally obligated to levy the amount necessary to service existing general obligation debt.

The total proposed Fiscal Year 2017-2018 final budget is \$1,156,800.

RECOMMENDATION:

Following the Public Hearing for the final budget and the tax levy on June 26, 2017, adopt the final budget for the Palm Valley Community Facilities District No. 3 (PVCFD#3) Fiscal Year 2017-2018.
