# WTMC

Protecting Our Environment and Natural Habitat

## A diverse coalition of founding partners working to protect the White Tank Mountains

- The Sonoran Institute
- DMB Associates Inc.
- Maricopa County Parks and Recreation
- WESTMARC
- The Central Arizona Conservation Alliance
- City of Buckeye
- City of Surprise
- Youngtown
- City of Peoria
- APS/Palo Verde
- D.R. Horton
- Jackie and Verlyne Meck

# Regional Planning

Ensures that the White Tank Mountains remain connected to the broader region in the following ways:

- Regional trail network
- Connections for recreational activities
- Appropriate wildlife corridors to prevent genetic isolation

# Future WTMC Goals

- Collaborate with key stakeholders to ensure wildlife corridors are protected
- Preserve the environment for future generations to enjoy
- Attract tourism to provide economic growth
- Preserve the historical and natural habitat
- Assure public access to the recreational opportunities

# Recommended Action

City of Goodyear to become a municipal charter member of the White Tanks Conservancy by making a one-time contribution of \$25,000 from the Council Special Projects Fund
