	OTHER PRESENTER: None

PROPOSED ACTION:

Authorize the City Manager or designee to execute the Intergovernmental Agreement between the city of Goodyear and city of Phoenix to conduct joint training, including firefighter recruit training hosted by the city of Phoenix.

BACKGROUND AND PREVIOUS ACTIONS:

In December 2017 Council entered into an IGA between the cities, which includes the city of Phoenix, towns, fire districts, and governmental jurisdictions to provide automatic assistance for fires and other types of emergency incidents.

Pursuant to contract #18-4406, the city of Goodyear is required to participate in certain joint training activities with the city of Phoenix, including firefighter recruit training hosted by city of Phoenix.

STAFF ANALYSIS:

This agreement is mutually beneficial for both city of Goodyear and city of Phoenix. Training opportunities include, but not limited to, recruit and in-service special operations, hazardous materials and command training and specialty schools for both sworn and civilian personnel.

FISCAL ANALYSIS:

The city of Goodyear will pay an amount not to exceed \$4500 for each Goodyear firefighter recruit that attends the recruit fire academy training. This amount may be adjusted at the discretion of the Phoenix Fire Chief based on the city of Goodyear's contribution to the academy training through the provision of facilities and personnel, recruit training officers, and other training resources. The FY2019 supplementals included recruitment and training expenses.

RECOMMENDATION:
