7. BUSINESS

7.1 [2018-6501](#) PUBLIC HEARING: USE PERMIT FOR ASSISTED LIVING HOME

Mayor Lord opened the public hearing at 6:08 p.m.

Katie Wilken, Planning Manager, presented the proposal to consider a use permit for an Assisted Living Home with up to 10 residents. Ms. Wilken said this request is an existing assisted living home currently allowed to have up to 6 residents. She said the applicant is requesting approval of a use permit to increase the maximum number of residents from 6 to 10. Ms. Wilken said the home does not meet the separation distance requirement in Zoning Ordinance.

Ms. Wilken said the Planning and Zoning Commission held a public hearing on this item at their regular meeting on November 15, 2018, and voted unanimously to recommend denial of the use permit, based on the location not adhering to the separation requirements. She said staff recommends denying the use permit due to the location not adhering to the Zoning Ordinance separation requirements, a higher volume of public safety calls for service, and the resulting impacts to the immediate single-family neighborhood.

The applicant, Crawford Breedlove, 2617 N. 10th Street, Phoenix, AZ, addressed the City Council. Mr. Breedlove said he did not believe the use permit violates the spirit of the separation requirement based on the hundred-plus feet that does not meet the overall separation requirement. Mr. Breedlove said the facility strives to provide a valuable service in the community. He thanked the City Council for considering the request.

Barbara Grey, 4350 N. 161st Ave., addressed the City Council. Ms. Grey said the police reports associated with the Assisted Living property include instances that demonstrate the negative impact to the neighborhood. She said there are also parking issues associated with the existing facility.

Mary Lou Facelo, 4340 N. 161st Ave. addressed the City Council. Ms. Facelo said she is very concerned about security in the neighborhood and the negative impact to property home values as a result of this request. She said the number of calls to police and fire are concerning.

Mayor Lord closed the public hearing at 6:26 p.m.

Council Discussion:

>Council commented on the impact the existing facility was having on the immediate neighborhood and on police and fire.

>Council expressed support of the separation distance requirement in the Zoning Ordinance, noting it

as a way to maintain the quality of life in neighborhoods.

MOTION BY Councilmember Pizzillo, SECONDED BY Councilmember Stipp, to DENY a Use Permit for an assisted living home. The motion carried by the following vote:

Mayor Lord opened the public hearing at 6:32 p.m.

Alex Lestinsky, Planner II, presented a request to consider amending the Lucero Planned Area Development (PAD). Ms. Lestinsky said the request to amend an approved PAD requires a public review and approval by the Planning and Zoning Commission and the City Council. Ms. Lestinsky said staff finds that the requested PAD Amendment is consistent with the subject property's Neighborhoods land use designation in the General Plan and will be compatible with the surrounding area. She said the proposal restates the previous Lucero Planned Area Development and includes two additional development standards that only apply to four parcels in the Lucero PAD. Ms. Lestinsky said the Planning and Zoning Commission recommended approval of the request on November 14, 2018, and that staff also recommends approval of the proposed PAD Amendment.
