A large, circular sculpture made of many small, blue and white plastic bottles, arranged in a spiral pattern, set against a dark blue background. The sculpture is composed of numerous plastic bottles of various shades of blue and white, arranged in a spiral pattern that forms a large, circular frame. The bottles are attached to a metal mesh structure, creating a textured, woven appearance. The background is a solid, dark blue color, which makes the sculpture stand out. The word "Discussion" is written in white, sans-serif font in the center of the image.
