Licensor owns public street and alley rights-of-way and public utility easements within the boundaries of the City of Goodyear (the "Boundaries") that are designated for use by public utility companies for installation, operation and repair of water, electrical and other public utilities pursuant to franchises, licenses or other agreements between utility companies and Licensor collectively, the RIGHT-OF-WAY ("ROW").
- B. For purposes of this License, "Fiber Optics Communication System" means an interstate and intrastate network of fiber optic cables and all related property including conduit, carrier pipe, cable fibers, repeaters, power sources and other attachments and appurtenances necessary for transmitting high speed voice, video and data in connection with telecommunications systems.
- C. For the purposes of this License "Fiber Optics Communication System" does not include one-way transmissions directly to customers, users or subscribers of video programming or other programming services or subscriber interaction, if any, which is required for the selection of or response to video programming or other programming services. For purposes of the foregoing, the term "video programming" means programming provided by or generally considered comparable to programming provided by a television broadcast station. The term "other programming services" means information that a cable television system operator makes available to all subscribers generally.
- D. Lessee desires to install and operate telecommunications fiber optic lines and related support equipment, including but not limited to fiber optic cables, pipe, conduits, vaults, and other appurtenances (the "Private Plant") under and in a portion of the ROW subject to the requirements of this Agreement and Chapter 22, Goodyear City Ordinance.
- E. Licensor desires to grant to Licensee a nonexclusive license to construct, install, maintain, operate, upgrade and repair the Private Plant (the "Permitted Uses") subject to the requirements of this Agreement.
- F. Licensor and Licensee desire to provide a method whereby additional portions of the ROW (the "New Use Areas") be added to this Agreement. Licensee may expand its Private Plant within the City's ROW by obtaining a permit from the City and upon the City's approval of plans. City may grant, with conditions, or deny such approval in its sole discretion. Any expansion

of the Private Plant approved by the City shall be subject to all terms and conditions of this License and the conditions, if any, imposed by the City.

G. I. There may be portions of the ROW (the "Third Party Areas") upon which the Private Plant may not be built without permission (the "Third Party Permission") from one or more third parties (the "Third Parties"). The Third Party Areas are areas such as canal crossings or other areas that for any reason have limited ROW dedications or that have regulatory use restrictions imposed by a Third Party.

J. The Licensor retains the right to adopt, from time-to-time, in addition to the provisions contained in this Agreement, such charter provisions, ordinances and rules and regulations as may be deemed necessary by the Licensor to protect and promote the property, health, safety and welfare of the Licensor's inhabitants.

The land comprising the ROW will decrease, increase, and otherwise change over time due to abandonments, dedications, annexations, de-annexations, and other events that affect the amount of land included in Licensors public utility ROW network inventory. This Agreement shall not allow Licensee to use ROW that is abandoned, condemned, removed from the Boundaries, or is otherwise no longer part of Licensors public utility easement network.

1.2 Non-Use Areas. Licensee shall not use or occupy any portion of the Use Areas other than as necessary to perform its obligations under this Agreement. The Private Plant shall be confined to the Use Areas.

1.3 New Use Areas. Licensors and Licensee may elect to add New Use Areas to this Agreement subject to the following:

1.6 No Real Property Interest. Notwithstanding any provision hereof to the contrary, and notwithstanding any negotiation, correspondence, course of performance or dealing, or other statements or acts by or between the parties, Licensee's rights herein are limited to use and occupation of the Use Areas for the Permitted Uses. Without limitation:

1.8.1 Competing Users. The Competing Users include without limitation Licensor, the State of Arizona and its political subdivisions, the public, and all manner of utility companies and other existing or future users of the Use Areas.

1.8.2 Competing Activities. Licensee accepts the risk that there may now or in the future exist upon the Use Areas all manner of work and improvements upon the Use Areas (the "Competing Activities"). The Competing Activities include without limitation any and all laying construction, erection, installation, use, operation, repair, replacement, removal, relocation, raising, lowering, widening, realigning or other dealing with any or all of the following, whether above, upon or below the surface of the Use Areas and whether occasioned

1.8.4 Licensor's Rights Cumulative. All of Licensor's Reserved Rights under various provisions of this Agreement shall be cumulative to each other.

1.8.5 Use Priorities. This Agreement does not grant to Licensee or establish for Licensee any exclusive rights or priority in favor of Licensee to use the Use Areas. Licensee's use of the Use Areas shall be subordinate to all Competing Activities. Licensee shall not obstruct, impede, disrupt or interfere with or prevent any Competing User from using the Use Areas.

1.8.6 Regulation. Licensor shall have full authority to regulate use of the Use Areas and to resolve competing demands and preferences regarding use of the Use Areas and, subject to Licensee's rights under this Agreement, to require Licensee to cooperate and participate in implementing such resolutions. Without limitation, Licensor may take any or all of the following into account in regulating use of the Use Areas:

1.8.6.1 All timing, public, operational, financial and other factors affecting existing and future proposals, needs and plans for Competing Activities.

1.8.6.2 All other factors Licensor may consider relevant, whether or not mentioned in this Agreement.

1.8.7.2 The Relocation Work includes all work determined by Licensor to be necessary to accommodate Competing Activities, including without limitation temporarily or permanently removing, protecting, supporting, disconnecting or relocating any portion of the Private Plant.

1.8.7.3 Licensor may perform any part of the Relocation Work that has not been performed within ninety (90) calendar days after notice from Licensor. Licensee shall reimburse Licensor for its actual costs (including administration) in performing any Relocation Work.

1.8.7.4 Licensor has no obligation to move Licensee's, City's or others' facilities.

1.8.7.5 Licensor and not Licensee shall be entitled to use any of Licensee's facilities that are abandoned in place or that are not timely relocated.

1.8.7.6 All Relocation Work shall be subject to and comply with all other provisions of this Agreement.

1.8.7.7 Licensee's relocation obligations hereunder are not intended to create any legal rights in any third party. Without limitation, no third party shall be a third party beneficiary of such obligations, and, therefore, any and all obligations third parties may have to bear the cost of relocating Licensee's facilities in connection with Competing Activities shall not be diminished by Licensee's relocation obligations hereunder.

1.8.9 Damage. Licensee shall be liable for any damage to or disturbance of Licensor controlled property and/or private property located in the ROW caused by Licensee's failure to act in a timely manner. All public and private property

damaged or disturbed by Licensee's activities shall be promptly repaired, replaced, and/or restored by Licensee at Licensee's sole expense to as good a condition as before such damage or disturbance and to the Licensors reasonable satisfaction. Licensors may remove, alter, tear out, relocate or damage portions of the Private Plant in the case of fire, disaster, or other emergencies if Licensors city manager or designee deems such action to be reasonably necessary under the circumstances. In such event, neither Licensors nor any agent, contractor or employee of Licensors shall be liable to Licensee or its customers or third parties for any harm so caused to them or the Private Plant. When practical, Licensors shall consult with Licensee in advance to assess the necessity of such actions and to minimize to the extent practical under the circumstances damage to and disruption of operation of the Private Plant. In any event, Licensors shall inform Licensee as soon as practicable after such actions. Licensee's work to repair or restore the Private Plant shall be Relocation Work.

1.8.11 Public Safety. If the Private Plant or any other Licensee equipment, improvements or activities within the Use Areas present any immediate hazard or impediment to the public, to Licensors, to other improvements or activities within or without the Use Areas, or to Licensors ability to safely and conveniently operate the ROW or perform Licensors utility, public safety and other public health, safety and welfare functions, then Licensee shall immediately remedy the hazard, comply with Licensors requests to secure the Use Areas, and otherwise cooperate with Licensors at no expense to Licensors to remove any such hazard or impediment. 3.1 Fee Payment Items. Licensee shall pay to City each of the following separate and

cumulative amounts (collectively the "Fee Payment"):

3.1.1 An amount (the "Annual Fee Payment") based on Licensee's use of the Private Plant to provide interstate telecommunications services as such services are defined by A.R.S. § 9-583 (C)(2) (exclusive of facilities used by the local network and the portion of the network that carries intrastate calls) and any leasing of fiber to third-parties. Licensee agrees and warrants that any portion of its Private Plant not subject to the Annual Fee Payment is subject to the Licensors' Transaction Privilege Tax and shall be paid in accordance with applicable tax laws.

3.1.3 An amount (the "Violation Fee Payment") based on certain breaches by Licensee of this Agreement as set out below.

The amount of each adjusted amount (represented by the letter "R" in the formula set forth below) shall be equal to the then current Cost of Living Index number on the last adjustment date (represented by the letter "C" in the formula set forth below) divided by the Cost of Living Index number for the month during which this Agreement commences (represented by the letter "M" in the formula set forth below), and multiplied by the current amount (represented by the "\$" symbol in the formula set forth below). This computation is expressed by the following formula:

$$R = \frac{C}{M} \times \$$$

M

provided, that in no event shall any amount be adjusted downward from any previous period. If the Cost of Living Index has not been published on any adjustment date, City shall have the right to estimate the Cost of Living Index and to make the adjustments based on such estimate, subject to adjustment when the actual figures become known. If such Cost of Living Index shall, for any reason whatsoever, not be published or readily identifiable at the adjustment date, then an index published by any state or federal agency or an index, formula or table accepted generally by the real estate profession shall be used as chosen by City in City's reasonable discretion. Any delayed adjustment shall be effective retroactively. Insurance coverages shall be rounded to the nearest million dollars.

Furthermore, any Fee Payment that is not timely paid shall accrue simple interest at the rate of one percent (1%) per month from the date the amount first came due until paid. Licensee expressly agrees that the foregoing represent fair and reasonable estimates by Licensors and Licensee of Licensors costs (such as accounting, administrative, legal and processing costs, etc.) in the event of a delay in payment of Fee Payment. Licensors shall have the right to allocate payments received from Licensee among Licensees obligations.

4.10.5.1 Participate in the Toxic Substance coming to the ROW.

4.10.5.2 Fail to immediately report the Toxic Substance to Licensor.

4.10.5.3 Participate in spreading or otherwise disturbing the Toxic Substance.

4.10.5.4 Exacerbate the effects of the Toxic Material or the difficulty or cost of dealing with the Toxic Substance.

4.10.6 Licensee understands the hazards presented to persons, property and

the environment by dealing with Toxic Substances. Licensee acknowledges the possibility that the ROW may contain actual or presumed asbestos and other Toxic Substances containing materials.

4.10.7 Within six (6) hours after any violation by Licensee of this Agreement pertaining to Toxic Substances, Licensee shall give Licensors notice reporting such violation.

4.11 Communications Operations Restriction. Licensee shall not install, operate, or allow the use of equipment, methodology or technology that may or would interfere with the optimum effective use or operation of Licensors existing or future fire, emergency or other communications equipment, methodology or technology (i.e., voice or other data carrying, receiving or transmitting equipment). If such interference should occur, Licensee shall immediately discontinue using the equipment, methodology or technology that causes the interference until Licensee takes corrective measures to alter the Private Plant to eliminate such interference. Any such corrective measures shall be made at no cost to Licensors.

4.12 Actions by Others. Licensee shall cause to comply with this Agreement all persons using the ROW through or under Licensee or this Agreement. Licensee is responsible for any violations of this Agreement by persons using the ROW through or under Licensee or this Agreement.

V. IMPROVEMENTS BY LICENSOR

5. Improvements by Licensor. Licensors has not promised to and is not obligated in any manner to make any improvements or perform any other construction or other work at the ROW.

VI. LICENSEE'S IMPROVEMENTS GENERALLY

6. Licensee's Improvements Generally. All of Licensee's improvements and other construction work whether or not specifically described herein upon the ROW (collectively "Licensee's Improvements") shall comply with the following:

6.1 Construction Plans. Annually, and upon reasonable request with at least thirty (30) calendar days prior written notice by the city manager or designee from time to time, Licensee shall deliver to Licensors route maps showing plans for existing and proposed construction of the Private Plant along arterials and other principal streets and public ways within the City. The files and drawings provided by Licensee shall be disclosed as a public record only to the extent required by A.R.S. § 39-126.01. If applicable, Licensee shall mark any submitted files and drawings subject to § 39-126.01 non-disclosure as confidential.

6.2 Permits and Inspections. Prior to performing work upon the ROW, Licensee shall submit all work plans to Licensors for review by Licensors staff in designated departments responsible for such review and shall obtain all permits and other approvals related thereto. During the course of the work, Licensee shall observe inspection, safety and other rules.

6.4 Regulatory Approval Process. The building permit processes, ROW management and similar regulatory requirements that apply to Licensee's Improvements are completely separate from the requirements of this Agreement. Licensee's satisfaction of any requirement of this Agreement does not count toward any compliance with any regulatory requirement. Licensee's satisfaction of any regulatory requirement does not count toward compliance with any requirement of this Agreement. Licensee must make all submittals and communications regarding the requirements of this Agreement through Licensors contract administrator for this Agreement, and not through planning, building safety or other staff. Licensee must obtain all approvals in accordance with all present and future Licensors codes, policies and procedures.

6.5 Relationship of Plans Approval to Regulatory Processes. Licensee's submission of plans under this Agreement, Licensors approval of plans for purposes of this Agreement, and the plans approval process under this Agreement, shall be separate and independent of all zoning, design review and other regulatory or similar plans submittal and approval processes, all of which shall continue to apply in addition to the requirements of this Agreement and its approvals. BUILDING PERMITS, ZONING CLEARANCES, OR ANY OTHER GOVERNMENTAL REVIEWS OR ACTIONS DO NOT CONSTITUTE APPROVAL OF ANY PLANS FOR PURPOSES OF THIS AGREEMENT.

6.6 Work Standards. All work by Licensee under this Agreement shall conform to the standards of the Maricopa Association of Governments and of the City of Goodyear Design Standards and Practices Manual, as either may be amended from time to time. All construction by Licensee must comply with applicable ROW noise, light, timing, event planning, dust and other policies in effect from time to time.

6.7 Cost of Licensee Improvements. All Licensee's Improvements shall be designed and constructed at no expense to City. In no event, including without limitation termination of this Agreement for any reason, shall Licensors be obligated to compensate Licensee in any manner for any of Licensee's Improvements or other work provided by Licensee during or related to this Agreement. Licensee shall pay, protect, indemnify, defend and hold harmless Licensors and Licensors's employees,

officer's, contractors and agents against all claims related to labor, materials, professional services and other work for Licensee's Improvements. 6.8 Improvement Quality. Any and all work performed on the ROW by Licensee shall be performed in a workman-like manner as reasonably determined by Licensor and shall be diligently pursued to completion and in conformance with all building codes and similar rules.

Upon performing any work upon the ROW, Licensee shall simultaneously restore the ROW to its prior condition, as directed by Licensor and repair any holes, mounting surfaces or other damage whatsoever caused by Licensee's activities to the ROW. Such work shall include replacement of prior vegetation and repairing or replacing pre-existing irrigation systems for revegetated areas.

6.10 Restoration. Following installation, repair or replacement work performed in the Use Areas, Licensee shall restore disturbed areas of the Use Areas to a condition equal to or better than the condition of the Use Areas immediately prior to Licensee's activities. The preceding sentence does not require Licensee to repair or maintain Licensor's or third party facilities at the Use Area unless such work is attributable in whole or in part to Licensee's use of the Use Area.

6.10.1 Licensee shall repair or replace to Licensor's standards, rules and policies published from time to time all pavement, sidewalks, curbs, landscaping and other Licensor's improvements of any description that may be damaged in the course of Licensee's activities under this Agreement.

6.11 Coordination with Dry Utility Permit Process. Licensee shall perform no construction work in the Use Areas without obtaining through normal processes from Licensor a permit giving permission to work in the ROW. Licensee shall not alter or perform any work to Licensor's improvements without first obtaining through normal processes from Licensor a permit giving permission to alter Licensor's improvements. Licensee shall not obstruct traffic without obtaining through normal processes from Licensor a permit granting permission to obstruct traffic.

6.12 Disturbance of Toxic Substances. Prior to undertaking any construction or other significant work, Licensee shall cause the Use Areas to be visually inspected for any signs of potential asbestos or other Toxic Substances. Prior to any work of any

description that bears a material risk of disturbing potential asbestos or other Toxic Substances, Licensee shall cause the contractor or other person performing such work to give to Licensors notice by the method described in this Agreement to the effect that the person will inspect for such materials, will not disturb such materials, and will indemnify, defend and hold Licensors harmless against any disturbance in such materials in the course of the contractor's or other person's work. Licensee shall cause any storage, inspection, treatment, transportation, disposal, handling, or other work involving Toxic Substances by Licensee upon the ROW to be performed by persons, equipment, facilities and other resources who are at all times properly and lawfully trained, authorized, licensed, permitted and otherwise qualified to perform such services. Licensee shall promptly deliver to Licensors copies of all reports or other information regarding Toxic Substances.

6.13 Work Classifications. All Licensee Improvements and other construction, repair, maintenance and other work (collectively "Work") shall be divided into three categories ("Heavy Work", "Medium Work" and "Light Work"):

6.13.1 Heavy Work is any work that involves any of the following:

6.13.1.1 Complete blockage of a sidewalk or trail.

6.13.1.2 Any Work or construction signage closer to the center of a street than the edge of pavement or back of curb.

6.13.1.3 Any Work that involves workers or equipment within thirty (30) feet of an intersection measured from the closest edge of pavement or back of curb.

6.13.2 Medium Work is all Work that is not Heavy Work but involves workers or equipment being used or located within ten (10) feet of any portion of any public street ROW designated for vehicular travel, within one hundred (100) feet of the nearest part of any intersection measured from the closest edge of pavement or back of curb, or upon or interfering in any way with any sidewalk,

path or trail.

6.13.3 Light work is Work that is not Medium Work or Heavy Work.

6.14 Street Classifications. All ROW shall be divided into three categories ("Critical Streets", "Large Streets", and "Small Streets") as follows:

6.14.1 Critical Streets are all of the Litchfield Road, Estrella Parkway, Van Buren St, and McDowell Road ROW and all ROW within one hundred (100) feet of the ROW of any of these roads. Critical Streets are only the streets named in this paragraph and do not include other streets encircled by or near the Critical Streets.

6.14.2 Large Streets are all streets shown on Goodyear's General Plan as Major Arterials, Minor Arterials or Collectors.

6.14.3 Small Streets are all Route ROW that is not Critical Streets or Large Streets.

6.15.1 Licensee shall obtain all permits.

6.15.2 Licensee shall not perform Light Work to Critical Streets during the hours of 7 a.m. to 9 a.m. or 4 p.m. to 6 p.m. Monday through Friday (collectively "Rush Hours").

6.16 Medium Work Restrictions. All Medium Work shall comply with all of the restrictions applicable to Light Work and also with the following:

6.16.1 Licensee shall give Licensor ten (10) calendar days advance notice of any Medium Work.

6.16.2 Licensee shall not perform Medium Work to Critical Streets or Large Streets during Rush Hours.

6.17 Heavy Work Restrictions. All Heavy Work shall comply with all of the restrictions applicable to Medium Work and Light Work and also with the following:

6.17.1 Heavy Work is prohibited on Critical Streets during the period from February 1 to March 31.

6.17.2 Licensee shall follow the existing construction and traffic control permitting

processes for Heavy Work.

6.17.3 Licensee's giving notice under this paragraph is not a substitute for obtaining Licensor's approval of the proposed work.

6.18 Work Restriction Waivers. Licensor's contract administrator shall have authority but not an obligation to grant written exceptions to the provisions of this Agreement that limit the calendar days or times during which Licensee may conduct Work.

VII. LICENSEE'S INITIAL PROJECT CONSTRUCTION

7. Licensee's Initial Project Construction. Licensee is not required to construct any portion of the Private Plant by any particular deadline.

VIII. MAINTENANCE AND OPERATIONS

8. Maintenance and Operations. Except as expressly provided below, Licensee shall be solely responsible for all maintenance, repair and utilities for the Private Plant during the term of this Agreement. Without limitation, Licensee shall perform the following:

8.1 Right of Inspection. Licensor shall be entitled to inspect all construction, reconstruction or installation work and to make such tests as it deems necessary to ensure compliance with the terms of this Agreement, the Engineering Design Standards and Policies Manual, or other Laws. All Licensor plans reviews, inspections, standards and other rights and actions with relation to Licensee's Improvements are for Licensor's sole and exclusive benefit and neither Licensee nor any other person shall rely thereon or have any rights related thereto.

8.2 Identification. All Licensee employees, contractors and subcontractors shall wear on their clothing a clearly visible identification card bearing their name and photograph and Licensee's logo or name. Licensee shall account for all Licensee issued identification cards at all times. Every service vehicle of Licensee, its contractors and its subcontractors shall be clearly identified as such to the public. Licensee vehicles shall prominently display Licensee's name and logo. Other vehicles shall prominently display the contractor's or subcontractor's name.

8.3 Construction Notification. Licensor may establish requirements for Licensee to notify nearby residents prior to construction.

8.4 Maintenance by Licensor. Licensor has no maintenance or repair obligations for the Use Areas.

8.5 Maintenance by Licensee. Licensee shall at all times repair and maintain the Private Plant at the Use Areas at Licensee's sole expense in a sound, clean, safe

manner, meeting or exceeding best industry practices of maintenance of comparable facilities in the southwest United States as determined in Licensor's discretion.

IX. **BREACH BY LICENSEE**

9. **Breach by Licensee.** Licensee shall comply with the terms and provisions of this Agreement and shall cause all persons using the Use Areas under the authority granted Licensee by this Agreement to do the same. Licensee's failure to do so shall be a material breach by Licensee of this Agreement. A hearing shall be held before the City Manager before revoking or refusing to renew a license if requested by the Licensee within fourteen (14) calendar days of notification by Licensor.

9.1 **Events of Default.** This entire Agreement is made upon the condition that each and every one of the following events shall be deemed an "Event of Default" by Licensee of Licensee's material obligations under this Agreement:

9.1.1 If Licensee shall be in arrears in the payment of Fee Payment due and not paid and shall not cure such arrearage within ten (10) calendar days after Licensor has notified Licensee of such arrearage.

9.1.2 If Licensee shall fail to keep the Certificate in effect.

9.1.3 If Licensee shall fail to maintain any insurance required by this Agreement.

9.1.4 If Licensee shall be the subject of a voluntary or involuntary bankruptcy, receivership, insolvency or similar proceeding or if any assignment of any of Licensee's or such other person's property shall be made for the benefit of creditors or if Licensee or such other person dies or is not regularly paying its debts as they come due (collectively a "Licensee Insolvency").

9.1.5 If Licensee shall fail to comply with the Site Documents and shall not cure such noncompliance before the earlier of:

9.1.5.1 The date such non-compliance causes any harm to Licensor.

9.1.5.2 The date sixty (60) calendar days after Licensor gives Licensee notice of such noncompliance.

9.1.6 If the issuer of any letter of credit shall fail for any reason to timely and fully honor any request by Licensor for funds or other performance under the instrument and Licensee fails to cause the issuer to or some other person to honor the request within ten (10) calendar days after Licensor notifies Licensee that such request has not been honored.

9.1.7 If Licensee shall fail to obtain or maintain any licenses, permits, or other governmental approvals pertaining to the ROW or timely pay any taxes pertaining to the ROW and shall not cure such failure within sixty (60) calendar days.

9.1.8 If Licensee shall engage in a pattern of repeated failure (or neglect) to timely do or perform or observe any provision contained herein. After Licensor has once given notice of any failure by Licensee to comply with any provision of this Agreement, the following shall constitute a repeated failure by Licensee to comply with such provision:

9.1.8.1 Another failure to comply with any provision of this Agreement during the following thirty (30) calendar day period.

9.1.8.2 Three (3) or more failures to comply with any provision of this Agreement during any ninety (90) calendar day period.

9.1.8.3 Six (6) or more failures to comply with any provision of this Agreement during any twelve (12) month period.

9.1.9 If Licensee shall fail to or neglect to timely and completely do or perform or observe any other provisions contained herein and such failure or neglect shall continue for a period of sixty (60) calendar days after Licensor has notified Licensee in writing of such failure or neglect.

9.2 Licensor's Remedies. Upon the occurrence of any Event of Default or at any time thereafter, Licensor may, at its option and from time to time, exercise at Licensee's expense any or all or any combination of the following cumulative remedies in any order and repetitively at Licensor's option:

9.2.1 Terminate this Agreement. Termination of this Agreement due to Licensee's breach or for any other reason does not terminate Licensee's obligations arising during the time simultaneous with or prior to or the termination, and in no way terminates any of Licensee's liability related to any breach of this Agreement.

9.2.2 Cause a receiver to be appointed for the continuing performance of Licensee's obligations at the Use Areas.

9.2.3 Pay or perform, for Licensee's account, in Licensee's name, and at Licensee's expense, any or all payments or performances required hereunder to be paid or performed by Licensee.

9.2.4 Abate at Licensee's expense any violation of this Agreement.

9.2.5 Notwithstanding anything in this Agreement to the contrary, unilaterally and without Licensee's or any other person's consent or approval, draw upon, withdraw or otherwise realize upon or obtain the value of any letter-of-credit, escrowed funds, insurance policies, or other deposits, sureties, bonds or other funds or security pledged for Licensor's benefit pursuant to this Agreement and use the proceeds for any remedy permitted by this Agreement.

9.2.6 Be excused without any liability to Licensee thereof from further performance of any or all obligations under this Agreement.

9.2.7 Insist upon Licensee's full and faithful performance under this Agreement and upon Licensee's full and timely payment of all amounts during the entire remaining term of this Agreement.

9.2.8 Require an additional security deposit adequate in Licensor's sole discretion to protect Licensor and the ROW in light of Licensee's history of performance under this Agreement.

9.2.9 Assert, exercise or otherwise pursue at Licensee's expense any and all other rights or remedies, legal or equitable, to which Licensor may be entitled, subject only to the limitation set out below on Licensor's ability to collect money damages in light of the Violation Fee Payment.

9.3 Violation Fee Payment. In lieu of certain money damages (the "Inconvenience Costs") set out below, the following shall apply to Licensee's violation of certain limited requirements of this Agreement (the "Violation Fee Provisions"):

9.3.1 The Inconvenience Costs are the money damages that Licensor suffers in the form of administrative cost and inconvenience, disharmony among Competing Users, and general inconvenience in ROW use by Licensor, Competing Users and the public when Licensee fails to comply with the Violation Fee Provisions.

9.3.2 Licensee's failure to comply with Violation Fee Provisions will result in Inconvenience Costs in an amount that is and will be impracticable to determine. Therefore, the parties have agreed that, in lieu of Licensee paying to Licensor as damages the actual amount of the Inconvenience Costs for violating the Violation Fee Provisions, Licensee shall pay Violation Fee Payment.

9.3.3 Violation Fee Payment is only intended to remedy Inconvenience Costs

that Licensors suffers because of Licensee's breach of the Violation Fee Provisions. Licensee's payment of Violation Fee Payment does not in any way excuse any breach by Licensee of this Agreement or limit in any way Licensors obtaining any other legal or equitable remedy provided by this Agreement or otherwise or such breach. For example, Licensee's obligation to pay Violation Fee Payment does not in any way detract from Licensee's indemnity and insurance obligations under this Agreement, which shall apply according to their terms in addition to Licensee's obligation to pay Violation Fee Payment.

9.3.4 Except as may be expressly stated in this paragraph, no cure period applies to the accrual of Violation Fee Payment.

9.3.5 Licensee may elect to draw upon the letter of credit to collect the Violation Fee Payment

9.3.6 The Violation Fee Provisions and the amount of the Violation Fee Payment per calendar day or part thereof are as follows:

9.3.6.1 The amount of Six Hundred Dollars (\$600.00) per calendar day for Licensee's failure to properly restore the public ROW or to correct related violations of specifications, code, ordinance or standards within ten (10) calendar days after Licensors notice to correct such defects. Such Violation Fee Payment shall be in addition to any cost the Licensors may incur to restore the ROW or correct the violation.

9.3.6.2 The amount of Two Hundred Fifty Dollars (\$250.00) per calendar day for each failure to make Licensee's books and records available as required by this Agreement.

9.3.6.3 The amount of Five Thousand Dollars (\$5,000.00) for any unauthorized partial or total assignment of this Agreement.

9.3.6.4 The amount of Five Hundred Dollars (\$500.00) per instance of any other action or non-action by the Licensee contrary to this Agreement that causes Inconvenience Costs and that is not cured after three (3) calendar days notice.

9.3.7 Violation Fee Payments shall be assessed as follows:

9.3.7.1 If Licensors determines that Licensee is liable for Violation Fee Payment, then Licensors shall issue to Licensee a notice of Licensors assessing a Violation Fee Payment. The notice shall set forth the nature of the violation and the amount of the assessment.

9.3.7.2 Licensee shall pay the Violation Fee Payment within ten (10) calendar days after Licensors notice. However, if the Violation Fee Payment amount exceeds Five Thousand Dollars (\$5,000), then the following shall apply:

9.3.7.3 Licensee shall have thirty (30) calendar days after the notice to pay the Violation Fee Payment or give Licensors notice contesting the assertion of noncompliance.

9.3.7.4 If Licensee fails to respond to the notice, Licensee shall pay the Violation Fee Payment.

9.4 Effect of Abandonment. In addition to Licensors other rights, if Licensee abandons the Private Plant during the term of this Agreement, or fails to operate the Private Plant in accordance with its duty to provide continuous service, Licensors, at its option, may acquire ownership of the Private Plant; operate the Private Plant; designate another entity to operate the Private Plant temporarily until Licensee restores service under conditions acceptable to Licensors or until the license is revoked and a new Licensee selected by Licensors is providing service; or obtain an injunction requiring Licensee to continue operations. If Licensors operates or designates another entity to operate the Private Plant, Licensee shall reimburse Licensors or its designee for all reasonable costs and damages incurred that are in excess of the revenues from the Private Plant. Licensors shall give Licensee seven (7) calendar days notice before operating or designating another entity to operate the Private Plant. If Licensee abandons only part of the Private Plant, then this paragraph shall apply to the part abandoned. A part of the Private Plant shall be deemed to be abandoned if Licensee fails to respond in the affirmative within sixty (60) calendar days to a written notice from Licensors requesting that Licensee confirm that Licensee is maintaining the part of the Private Plant and that it is available for use by Licensee's customers.

9.5 Non-waiver. Licensee acknowledges Licensee's unconditional obligation to comply with this Agreement. No failure by Licensors to demand any performance required of Licensee under this Agreement, and no acceptance by Licensors of any imperfect or partial performances under this Agreement, shall excuse such performance or impair in any way Licensors ability to insist, prospectively and retroactively, upon full compliance with this Agreement. No acceptance by Licensors of Fee Payment payments or other performances hereunder shall be deemed a compromise or settlement of any right Licensors may have for additional, different or further payments or performances. Any waiver by Licensors of any breach of condition or covenant herein contained to be kept and performed by Licensee shall not be deemed or considered as a continuing waiver and shall not operate to bar or otherwise prevent Licensors from declaring a default for any breach or succeeding or continuing breach either of the same condition or covenant or otherwise. No

statement, bill or notice by Licensor or Licensee concerning payments or other performances due hereunder, or failure by Licensor to demand any performance hereunder, shall excuse Licensee from compliance with this Agreement nor stop Licensor (or otherwise impair Licensor's ability) to at any time correct such notice and/or insist prospectively and retroactively upon full compliance with this Agreement. No waiver of any description (INCLUDING ANY WAIVER OF THIS SENTENCE OR PARAGRAPH) shall be effective against Licensor unless made in writing by a duly authorized representative of Licensor specifically identifying the particular provision being waived and specifically stating the scope of the waiver. LICENSEE EXPRESSLY DISCLAIMS AND SHALL NOT HAVE THE RIGHT TO RELY ON ANY SUPPOSED WAIVER OR OTHER CHANGE OR MODIFICATION, WHETHER BY WORD OR CONDUCT OR OTHERWISE, NOT CONFORMING TO THIS PARAGRAPH.

9.6 Reimbursement of Licensor's Expenses. Licensee shall pay to Licensor within thirty (30) calendar days after Licensor's demand any and all amounts expended or incurred by Licensor in performing Licensee's obligations after an Event of Default together with interest thereon at the rate of one and one-half percent (1.5%) per month from the date expended or incurred by Licensor.

9.7 Inspection. Licensor shall have access to all portions of the Use Areas at all times and without notice for the purpose of examining, inspecting, evaluating, planning, repairing, designing, maintaining or showing the Use Areas or exercising Licensor's other rights hereunder. Licensee shall promptly undertake appropriate action to rectify any deficiency (identified by Licensor during such inspections or otherwise) in Licensee's compliance with this Agreement. This paragraph does not limit Licensor's other rights of access to the Use Areas elsewhere in this Agreement or otherwise. This right of access is in addition to access rights for Licensor inspectors or other employees and officers acting within their legal authority.

9.8 Breach by Licensor. Notwithstanding anything in this Agreement to the contrary, if Licensor at any time is required to pay to Licensee any amount or render any performance, such amount or performance is not due until thirty (30) calendar days after notice by Licensee to Licensor that the amount has become payable or that the performance is due. In the event a cure cannot be effected during that period, Licensor shall not be in default so long as Licensor commences cure during the period and diligently prosecutes the cure to completion provided such cure must be completed within sixty (60) calendar days after the notice.

9.9 Right to Setoff and Credit. In addition to its other rights and remedies under this Agreement, Licensor shall have the right to setoff and credit from time to time and at any time, any and all amounts due from Licensee to Licensor, whether pursuant to this Agreement or otherwise, against any sum which may be due from Licensor to Licensee pursuant to this Agreement or otherwise.

X. TERMINATION

10. Rights at Termination. The following provisions shall apply at the expiration of the term hereof or upon any other termination of this Agreement (taking into account any extensions of this Agreement):

10.1 Surviving Obligations. Expiration of this Agreement (or Licensor's termination of this Agreement due to an Event of Default or any other reason) does not terminate Licensee's obligations existing or arising prior to or simultaneous with, or attributable to, the termination or events leading to or occurring before termination.

10.2 Delivery of Possession. Licensee shall cease using the Use Areas. Licensee shall without demand, peaceably and quietly quit and deliver up the Use Areas to Licensor in as good order and condition, reasonable use and wear excepted, as the Use Areas may now be in or in such better condition as the Use Areas may hereafter be placed.

10.3 New Approvals and Agreements. Upon expiration or termination of this Agreement for any reason, Licensee shall no longer have the right to use the ROW. After such period, any right, if any, for the Private Plant to be in the ROW shall be pursuant to such new approvals and agreements, if any, and not pursuant to this Agreement.

10.4 Confirmation of Termination. Upon expiration or termination of this Agreement for any reason, Licensee shall provide to Licensor upon demand a confirmation of termination of this Agreement executed and acknowledged by Licensee and by all persons who claim that they have received from or through Licensee any interest in or right to use the ROW.

10.5 Removal of Improvements. NOTWITHSTANDING anything in this paragraph or the remainder of this Agreement to the contrary, unless Licensor directs otherwise, Licensee shall leave the cable, conduits, other appurtenances, and the remainder of the entire Private Plant in place in good condition, in working order, with each cable and conduit end properly labeled and enclosed in proper junction boxes, and in safe condition. However, to the extent Licensor gives notice requesting the work, Licensee shall remove all of the Private Plant and restore the Use Areas to its prior condition, or to a condition matching Licensor's surrounding land and improvements. Notwithstanding the preceding sentence, Licensee is not obligated to remove horizontal underground conduit, along with cables that are buried directly in the ground without conduits. Such work shall include revegetation and appropriate irrigation systems for revegetated areas. Title to any and all personal property installed by Licensee upon the ROW that is not removed during that period shall

automatically vest in Licensor. Licensor shall give Licensee One Hundred Twenty (120) calendar days notice before requiring removal of the Private Plant.

XI. INDEMNITY AND INSURANCE

11. Insurance Responsibility. During the entire term of this Agreement, Licensee shall insure its property and activities at and about the Use Areas and shall provide insurance and indemnification as follows:

11.1 Insurance Required. Not later than the date of this Agreement, and at all times thereafter when Licensee is occupying or using the Use Areas in any way, Licensee shall obtain and cause to be in force and effect the following insurance:

11.1.1 Commercial General Liability. Commercial general liability insurance with a limit of Five Million and No/100 Dollars (\$5,000,000.00) for each occurrence, a limit of Five Million and No/100 Dollars (\$5,000,000.00) for products and completed operations annual aggregate, and a limit of Five Million and No/100 Dollars (\$5,000,000.00) general aggregate limit per policy year. The policy shall cover liability arising from premises, operations, independent contractors, products, completed operations, personal injury, bodily injury, advertising injury, and liability assumed under an "insured contract" including this Agreement. The policy will cover Licensee's liability under the indemnity provisions of this Agreement. The policy shall contain a "separation of insureds" clause.

11.1.2 Automobile Liability. Automobile liability insurance with a limit of One Million Dollars (\$1,000,000) for each accident covering any and all owned, hired, and non-owned vehicles assigned to or used in any way in connection with Licensee's use of the ROW. Without limitation, such insurance shall cover hazards of motor vehicle use for loading and offloading.

11.1.3 Workers' Compensation. Such workers' compensation and similar insurance as is required by law and employer's liability insurance with a minimum limit of One Hundred Thousand Dollars (\$100,000.00) for each accident, One Hundred Thousand Dollars (\$100,000.00) disease for each employee, Five Hundred Thousand Dollars (\$500,000.00) policy limit for disease. All contractors and subcontractors must provide like insurance.

11.2 Policy Limit Escalation. Licensors may elect by notice to Licensee to increase the amount or type of any insurance to account for inflation, changes in risk, or any other factor that Licensor reasonably determines to affect the prudent amount of insurance to be provided.

11.3 Form of All Insurance. All insurance provided by Licensee with respect to the ROW, whether required by this Agreement or not, shall meet the following requirements:

11.3.1 "Occurrence" coverage is required. "Claims made" insurance is not permitted, except for Broadcast Insurance.

11.3.2 If Licensee uses any excess insurance then such excess insurance shall be "follow form" equal to or broader in coverage than the underlying insurance.

11.3.3 Policies must also cover and insure Licensee's activities relating to the business operations and activities conducted away from the ROW.

11.3.4 Licensee must clearly show by providing copies of insurance certificates and formal endorsements acceptable to Licensor that all insurance coverage required by this Agreement is provided.

11.3.5 Licensee's required insurance shall be primary insurance and non-contributory with respect to claims arising out of Licensee's operations, activities and obligations under this Agreement.
