**Conditions of specific land uses:**

[1] Restaurants, bars and cocktail lounges – permitted as a primary use except that live music or entertainment shall only be allowed as an accessory use if the facility is located a minimum of 300' from the property line of any residentially zoned or designated property. All noise generated by live music or entertainment shall be fully contained within the indoor space occupied by the bar or cocktail lounge.

[2] Outdoor storage – permitted as an accessory use provided that it is conducted within an area enclosed or screened from view by a solid masonry wall on all sides and the height of the storage materials does not exceed the height of the wall.

[3] Veterinary hospitals – permitted as a primary use except that activities as such facilities are conducted entirely indoors, except for supervised and controlled outdoor exercise areas; the facilities are constructed to prevent objectionable noises and odors outside the walls of the office; there shall be no outdoor kennels; and there shall be no direct outside exit from any room containing kennels.

**Note:**

The Zoning Administrator or their designee may determine similar land uses to those listed in this section. In all Districts, accessory uses of land or structures customarily incidental to one of the permitted principal land uses shall be permitted.
