7. BUSINESS

Mayor Lord removed Item 6.6 from the Consent Agenda.

- 6.6 [14-5208](#) **RESOLUTION RENEWING THE MARICOPA COUNTY URBAN COUNTY 3-YEAR COOPERATIVE AGREEMENT**

Katie Wilken, Planner III, presented.

Mayor Lord asked for clarification on the following:

1. How do we receive Community Development Block Grant (CDBG) Funds?

Wilken responded that we receive funds through a competitive grant application process. Over the last nine years the City of Goodyear has received \$2.3 million in CDGB Urban County Funding.

2. How many years have we received CDGB Funds?

We have received funds six out of the last nine years.

3. How many projects have we completed with CDBG Funds?

Over the last ten years we have completed six projects.

4. Mayor Lord asked for an explanation about the difference between CDBG Funds and Entitlement Community Funds.

An Entitlement Community is entitled to an annual allocation of funds. CDBG Urban County Funding requires that we compete for grant funds. Our history has shown that we have received more money through the competitive grant application process than we would have received through the entitlement program.

5. Do CDBG Projects have the same eligibility by serving low and moderate income individuals whether they are through the Urban County Program or an Entitlement Program?

Wilken responded that the projects hold the same eligibility. The only difference is when applying for grant funds, Maricopa County has input on who receives funding. The County's goals align with the City's goals of providing for a safe community, effective economy, sustainable environment and public health.

6. Explain the difference in the amount of money we estimated we would have for the CDBG Urban County versus the Entitlement Program for the upcoming year.

From past history, we can expect anywhere from \$750,000 - \$820,000 by participating through Urban County. If we switch to Entitlement, the annual allocation would be \$293,000 with a total allocation over three years of approximately \$900,000. However, Entitlement funds deduct 20% for administration and we would be left with only \$720,000 for projects. We are likely to have more funds through the Urban County Program.

Councilmember Osborne asked if CDBG funds could be used for after school programming for low income areas of the City in conjunction with other schools located in other cities. Wilken responded that an after school program for low to moderate income students would qualify for this type of funding. This would be a public service project and would have special requirements in that you can only fund the first year of a new program, or expanding an existing program. This is a great time to look at these types of programs. We will be developing a five-year plan and will be going to the community to find out what the needs are, identify projects and prioritize them.

Wilken stated that if the City decides to go with the Entitlement Program, it would cost approximately \$100,000 as an initial investment, plus the cost of a full time staff member in order to receive the \$720,000.

The current five-year plan ends in June 2015. We just applied for the 2014-15 grant cycle. Any project that is placed in the upcoming five-year plan won't be eligible for funding until at least July 2015.

MOTION BY Councilmember Campbell, SECONDED BY Councilmember Hohman, to ADOPT RESOLUTION 14-1618 APPROVING THE CITY'S CONTINUED PARTICIPATION IN THE MARICOPA COUNTY CDBG PROGRAM THROUGH JUNE 30, 2018; PROVIDING AUTHORIZATION AND DIRECTION TO TAKE ACTIONS AND EXECUTE DOCUMENTS NECESSARY TO CARRY OUT INTENT OF THE RESOLUTION; AND PROVIDING FOR AN EFFECTIVE DATE

Ayes 7 - Mayor Lord, Vice Mayor Pizzillo, Councilmember Osborne, Councilmember Lauritano, Councilmember Campbell, Councilmember Stipp, and Councilmember Hohman

7.1 [14-5232](#) REGIONAL WIRELESS COOPERATIVE RADIO SYSTEM

Chris Nadeau, Telecommunications Manager, presented. The purpose of the existing Intergovernmental Agreement (IGA) with the City of Phoenix is to provide for sharing of space and/or cost of radio system infrastructure where applicable. This is an update to that IGA to add the new communications center to the list of included facilities so that Regional Wireless Cooperative (RWC) radio equipment can be installed and maintained at that location.

This IGA does not commit us to any costs or promise of space. The City is meeting with Phoenix Fire Department to discuss relocating new radio equipment to our new Telecommunications Center and RWC Tower. Phoenix would still be responsible for the installation and maintenance of their equipment at any shared facility. Other cities that participate in the RWC Project are Glendale, Avondale, Buckeye, Maricopa, Chandler, El Mirage, Surprise, Peoria, Tempe and Scottsdale. Others will be signing on soon.

MOTION BY Councilmember Stipp, SECONDED BY Councilmember Osborne, to ADOPT RESOLUTION 14-1608 APPROVING AND AUTHORIZING THE CITY MANAGER TO EXECUTE SUPPLEMENT NO. 004 TO INTERGOVERNMENTAL AGREEMENT CON-CX-0337-05 FOR SHARING OF TELECOMMUNICATION FACILITIES WITH THE CITY OF PHOENIX (REGIONAL WIRELESS COOPERATIVE RADIO SYSTEM). The motion carried by the following vote:

7.2 [14-5249](#) RBF CONSULTING, LLC CONTRACT

Bob Beckley, Deputy City Manager, presented. This request will extend the current contract with RBF Consulting to provide supplemental plan review services to the Engineering Department through the end of the current fiscal year. This assistance will allow the City to meet standard review times and address the workload volume resulting from staff vacancies and an increase in plan review workload.

Council asked what line item this funding is coming from. Finance Director Larry Lange responded that the source of funding is excess development revenue and funding will be appropriated from that revenue.

MOTION BY Councilmember Lauritano, SECONDED BY Vice Mayor Pizzillo, to AUTHORIZE the City Manager to amend a contract with RBF Consulting, LLC in an amount not to exceed \$75,000 for plan review services, and to authorize a budget transfer from development related revenues in excess of budgeted amounts. The motion carried by the following vote:
