Goodyear City Hall, Room 204
190 N. Litchfield Rd.
Goodyear, AZ 85338

1. CALL TO ORDER

The Council Subcommittee called the meeting to order at 9:36 a.m.

2. ROLL CALL

Present: 3 - Vice Mayor Pizzillo, Councilmember Osborne and Councilmember Stipp

Staff Present: Maureen Scott-City Clerk and Christina Plante-Neighborhood Services Coordinator

Councilmember Stipp arrived at 9:42 a.m.

3. REVIEW FY 2014/2015 COMMUNITY FUNDING APPLICATIONS

City Council SubCommittee will review and discuss applications from nonprofits and determine allocation of the City's Community grant funds. Recommendations for funding will be forwarded to Council for a final decision at a future Council Meeting.

The Council Subcommittee reviewed the FY 15/16 community grant applications from agencies and organizations that provide health, human services, and quality of life programs for Goodyear residents. The Council Subcommittee reviewed thirty-two applications and scored them between 1-100. The Council Subcommittee made funding request recommendations for twenty-five organizations totaling \$114,400. These requests are to fulfill the intent of leveraging City dollars to maximize delivery of human/social services. Funding these requests provides programs that are not offered through the City and saves taxpayer dollars in gaining program service delivery.

The recommendation for these funding requests will be brought before Council on June 22, 2015. Plante said all awardees are required to submit six-month and year-end progress reports.

Board Discussion:

*Make sure the application process is more clearly defined next year

*Neighborhood Services Coordinator could offer an orientation to help with the application process

8. ADJOURNMENT

There being no further business to discuss, the Council Subcommittee adjourned at 10:45 a.m.

Respectfully Submitted by:

Maureen Scott, City Clerk
