1. **CALL TO ORDER**

The Council Subcommittee was called to order at 2:06 p.m.

Present: 3 - Councilmember Pizzillo, Councilmember Osborne and Councilmember Campbell

Staff Present: Deputy City Clerk Sue Brungardt, and Neighborhood Services Coordinator Christina Plante

3. **REVIEW FY 2016-2017 COMMUNITY FUNDING APPLICATIONS**

The Council Subcommittee reviewed the FY16/17 community grant applications from agencies and organizations that provide health, human services, and quality of life programs for Goodyear residents. The Council Subcommittee reviewed 35 applications. The Council Subcommittee made funding recommendations for 27 organizations, totaling \$114,400. These requests are to fulfill the intent of leveraging city dollars to maximize delivery of human/social services. Funding these requests provides programs that are not offered through the city, and saves taxpayer dollars in gaining program service delivery. The recommendation for these funding requests will be brought before Council for approval on June 27, 2016.

Board Discussion:

>Would like a summary prepared with next year's applications that is provided to the Subcommittee prior to the meeting that shows the applicant, requested amounts, amount requested and funded in previous years, how funds will be used, and the number of Goodyear residents served in the past fiscal year.

4. **ADJOURNMENT**

There being no further business to discuss, the Council Subcommittee was adjourned at 3:16 p.m.

Respectfully Submitted by:

Sue Brungardt, Deputy City Clerk
