#### COMMUNICATIONS

1. [CO-2020-381](#) City Manager Julie Arendall will provide an update on the city of Goodyear's response to the COVID-19 pandemic. (Julie Arendall, City Manager)

City Manager Julie Arendall gave an overview of the timeline of the activities surrounding the COVID-19 pandemic. She commented that retailers and restaurants had started to re-open as of May 11. Ms. Arendall reviewed the number of cases in each of the Goodyear zip codes. She spoke about the links and information on the city's website regarding information and resources available to residents.

Ms. Arendall reviewed information on small business assistance and noted the city's role was to focus on information and support such as the CARES Act which included the Paycheck Protection Program

(PPP) and other small business loans and grants. She added the city continued to reach out to all of the local businesses to offer assistance and help them navigate the different programs.

Ms. Arendall summarized the different phases and actions for each of the White House Guidelines for Opening Up America again. She also reviewed a slide from Governor Ducey's office about Arizona's activities to Opening Up Arizona again.

She then reviewed information about Opening Up Goodyear again. She stated Goodyear would follow a three-phased plan with a continued focus on online services. She spoke about the differences in physical spaces and gave thanks to the Facilities Team as they custom made several separation shields for customer service counters. She reviewed the flyers that provided safety protocols for staff.

Ms. Arendall spoke about the different facilities that were now open which included city buildings, playgrounds and the Roscoe Dog Park. She added that although City Council and Planning and Zoning meetings were closed to the public in Phase I, they would be open in Phase II. She also stated that during Phase II select parks and recreations programs would begin to open. She commented that in Phase III the Declaration of Emergency would be lifted and city operations would return to normal.

Ms. Arendall closed with a thank you to the Goodyear community for all the support and added that together we are resilient.

Council asked if the numbers on employment for businesses in Goodyear had risen and asked for the percentage of restaurants or small retail locations that were in significant financial distress. Ms. Arendall replied as soon as those numbers were available for unemployment she would include them in a daily report. She added she was unaware of any small or large businesses that were planning on closing due to COVID-19, but she was aware that many were struggling.

Council thanked staff for all the hard work over the last several months.

Council asked if the city would reach out to private HOAs that have playgrounds and ballparks to advise them of Phase I activities. Council also asked if the opening of pools and movie theaters was discussed by the Governor. Ms. Arendall said that Neighborhood Services would be reaching out to the neighborhoods to communicate the City's Phase I response. She added that per the Governor's orders pools and movie theaters were not able to open at this time.

#### **CITIZENS COMMENTS/APPEARANCES FROM THE FLOOR**

There were no comments from citizens.

City Clerk Darcie McCracken advised that even though the building was closed and people could not appear in person, there were other ways for citizens to remain involved. She reviewed the ways that citizens could submit comments, view the meetings and send comments to Mayor and Council.
