<b>Title:</b>	APPROVE AGREEMENT BETWEEN THE CITY OF GOODYEAR AND SRP RECOMMENDATION: Approve the agreement between the city of Goodyear and the Salt River Valley Water Users' Association and the Salt River Project Agricultural Improvement and Power District.  PURPOSE: This agreement will allow the city of Goodyear to deliver its Central Arizona Project (CAP) water supplies to the Salt River Project (SRP) via the CAP SRP Interconnect Facility (CSIF) located at SRP's Granite Reef Dam. SRP would then deliver the city's CAP water allocation through their canal system to a point of receipt. Once received, the city would take direct delivery of its CAP water where it would be treated and delivered to Goodyear's water customers. (Mark Holmes, Water Resources Manager)
